Posh Little Closet working with its' Community: "Raising Awareness for Pawsibilities"

Angel

Pawsibilities is a no kill animal rescue group. We are dedicated to saving lives and promoting responsible care for abused, neglected and unwanted animals. We work with local groups diligent in spay and neuter by utilizing foster homes for all our rescued pets. We are able to provide " a new leash on life" for animals that would otherwise be left homeless or euthanized in a shelter. By the use of foster homes we are able to determine each pets true personalities and needs to best match them with the members of their new forever homes. We are thank-

ful to have the opportunity to be the voice of animals that are generous enough to give humanity another chance despite the hand they were previously dealt.

Twister

Posh Little Closet working with its' Community: "Raising Awareness for Pawsibilities—a new leash on life"

Posh Little Closet will be helping Pawsibilities through their journey to raise awareness about abused, neglected and homeless animals through adoption. Pawsibilities promotes spay and neutering in order to help reduce the amount of homeless pets in our community. We will provide the forum for "Pawsibilities" to spread the word about fostering and adoption of homeless animals through advertising and distribution of educational materials. We will also donate \$1 for every donation made November 11-12th during our Pre-Black Friday Toy & Baby Equipment Consignment Event, we will raffle a Children's Gift Basket filled w/ lots of goodies and a concession stand throughout the event.

Getting Involved

You can help "Pawsibilities" by shopping at our Pre-Black Friday event on November 11-12th 2011, making a \$1 donation, purchasing a raffle ticket or purchasing from the concession stand. Contact us for more information or to get involved Nannette@poshlittlecloset.com or 386-366-2703. Thanks for your participation & ongoing support! Let's help "Pawsibilities" achieve their fundraising goals!

Event Information-

Daytona Beach Alliance Church-Gymnasium 1250 Beville Rd., across from Sam's Club. November 11th 3-9pm, November 12th 8-4pm!

Quick Facts Regarding Homeless Pets

In this economy –kill shelters are at their all time high and as a result animals are getting euthanized at unprecedented rates. Pawsibilities is currently taking in approximately 40 animals a week that would otherwise be euthanized. The animals are placed in foster homes to later be matched with the right adoptive "people family." Pawsibilities has rescued and saved approximately 650 animals in the last two years.
